" Hmm I hope I have everything pack " wonder the blonde beauty. Today me and my sister will be living with the Sakamaki family. Yes we know they are vampires, but here's the twist we are " _special _" too. "
****KIRA HURRY YOU NINE- TAIL ASS UP ****" scream a certain brunette. Yep you heard her I, Kira is a nine-tail fox.

" Oi I'm coming " I scream back. I grab my stuff and walk down the staircase. " Damn what took you long " ask my younger sister. " I was making sure I got everything " I simply replied. " Come on the limo is waiting " Serena said.

As we head out the door we said our final goodbye to the house. "
Kira I'm going to miss this place " stated Serena. " Me too " I said.

****Mea's P.O.V.****

" Bye Onee-chan " said the petite teenager. " Bye Mea have fun " said Yami, Mea's big sister. " I will bye Onee-chan " said Mea again. I open door ready to go to my new home the Sakamaki resident.

I heard that there's only one girl there and six vampires boys. Yep I too am special I am a battle weapon meaning I can change my body into anything that's a weapon.

Honestly I don't know why I am happy. I will be gone from my family especially my big sister. We have been together forever! As I step in the limo I take one more glance of the house. Goodbye!

****Sora's P.O.V.****

" Reina are you ready yet " I holler. Today me and my older sister are going to a mansion. " Jeez she is so slow " I thought. " Damn she can be such a pain in the ass " I mumble. " I'll be down there in a minute " yelled Reina.

" ****HURRY YOUR TWO-TAIL DOWN HERE WE DON'T HAVE ALL DAY ****" scream at the top of my voice. Yes we are " _different _". (I'm tired of using special) I am a succubus ,but I don't seduce men and my sister is a two-tail fire fox.

" Ok I'm ready " said Reina snapping me out of my trance. " Then lets go " I said.

As we head out the door we say our final goodbye. We hope we have a great time at the Sakamaki Household. Well lets just hope!

2. Introducing the New Brides

****Hey guys! As I promised I would post new chapters twice a week at ****_least . _**** So here is chapter 2. Enjoy the story.****

****Third - P.O.V.****

Five girls left their homes and went to live somewhere else. Three limos show up at a mansion at the same time.

" Ahh finally we're out of that limo " exclaim Serena. " Can you move your ass out of my way? " ask Kira. " Ehh what you say " ask a irritated Serena.

Before Kira could say something back a voice was heard. " Hmm so I'm not the only one here " question a certain petite girl. " Tch who are you " ask the irritated teenager.

" We too want to know who you guys are " said a black hair bueaty. " Great more girls " mumble Kira. " OK before any of us get more confused let us tell each other who we are " suggested Kira.

" Hmp fine let's get this over with " grumble Sora. " I'm Serena and this is my older sister Kira " explain Serena. " Umm hi I'm Mea " said Mea shly. " I'm Reina and this is my younger sister Sora " said

Reina.

" Ok enough chit-chat let's go in " whined Serena. " This is going to be the first and last time I agree with her " said Sora.

As the girls walk in they were greeted with the sight of a red head boy sleeping on a couch. " Serena-Chan what are you doing " ask Mea. " I going to draw on his face " replied Serena.

Just as Serena was about to touch him a hand grab her. " EKK " Serena squeal. " What the hell do you think you're doing " said the red head boy.

" Um OK since you ask I will tell. Once upon a time there was monkey and that monkey was very curious about things. So the monkey went out found a chicken and tried to have sex with it. Here's the best part it didn't really work but the humans found the monkey and chicken and well ate them even though they were srcew. " explain Serena.

The red head boy stood there dumbfounded. " Ayato what's is all the commotion " said a man with jet black hair. The men look at new five girl and said " I am guessing that you girls are the new brides " said Reiji.

" And by brides you mean five girls living here then yeah " said Sora sarcastically. " Your manners are very terrible " said Reiji.

" Why does he have to be such a pain in the ass " mumble Serena. " Please follow me and Ayato go and get everyone also make sure you are in the living room " stated Reiji.

As they enter the living room the five girls saw four more boys and a girl. (They know who Ayato is) " Attention everyone these are the new brides. We will treat of right and we will not kill them " said Reiji. " Hmm we will certainly make them at home " said another red head expect with a fedora.

" So what are your names " ask the girl with sherpert eyes. " I'm Kira this is my youger sister Serena " said Kira. " Hi I'm Mea nice to meet you " said Mea. " I'm Sora this is my older sister Reina " said Sora. " Now it our turns to introduce ourself. The blonde one over there is Shu the headmaster of the house and oldest, I'm Reiji second oldest , then the triplets Ayato, Kanato, Laito, Subaru the youngest and then Yui. " explain Reiji.

" Also you should know that we're vampires meaning whenever we are thirsty you must give us your blood " explain Reiji. " Then you and brothers should know my sister and I are special " said Kira. " How special " ask Kanato. " Well I Serena is a cat I have the spirt of a cat and my sister is a nine tail fox." said Serena. " So I too need blood " said Kira.

" Umm well I am a battle weapon that mean my body can turn into mostly anything " explain Mea. " Yes Sora and I are special too. Sora is succbuss but she doesn't seduce men and I am a two tail fire fox " said Reins.

After learning and proving what the girls said the boys were dumbstruck by all of the information so the boys kept their fear hidden. Yui was also amazed but happy that she wasn't alone.

After this long day the girls were finally able to go to their new rooms and rest even though they were being watch. Whats going to happen next wonder everyone.
